A HUGE THANK YOU

Hi everyone! As the season draws towards its final stages, we want to extend a heartfelt **THANK YOU** to you all, for supporting us on our very first year. We couldn't have come this far without you.

We have welcomed thousands of adventure seekers this season, all eager and excited to try Ireland's newest AquaPark and we hope you had as much fun as we did.

We wanted to reach out to you, to let you know what is currently happening at Splash Outdoor WaterPark, along with our end of season plans and what the future holds in store.

END OF SEASON

AQUAPARK

Let's begin by what's currently happening. You will be happy to hear that we are still open for the next few weeks, with AquaPark bookings still available until **Sunday 3rd October**.

SESSION TIMES

Friday - 16:00 / 17:00

Saturday - 11:00 / 12:00 / 14:00 / 15:00

Sunday - 11:00 / 12:00 / 14:00 / 15:00

OPEN WATER SWIMMING

We are also still offering the increasingly popular and refreshing thrill of **Open Water Swimming**. Recharge your body by taking a dip in the cool water, boosting your mental and physical health and swimming away the stresses of daily life.

The session times have recently been updated to coincide with the change in daylight hours. We will continue to update these throughout the winter months and post them on our website and social media.

WHAT'S NEXT AT Splash

THE WORK continues

The development of our main Splash Hub facility is moving along and starting to come together. This new building will overlook the lake and be home to our brand new restaurant, enabling us to offer new and exciting food options, while also serving up a stunning panoramic view from the first floor raised balcony.

The Ground Floor will house our Main Reception area and plenty of new storage for our wetsuits and buoyancy aids, as well as a shop to purchase all your favourite Splash essentials.

MOONLIGHT SWIM

FRIDAY 24TH SEPTEMBER

**HELPING RAISE FUNDS
FOR AWARE NI**

WINTER Swimming

We will continue with our Open Water Swimming throughout the summer, with our new **Winter Membership** being launched over the next few weeks. We will also have the exciting new options of the Winter Family Swim Pass and our new Youth Membership available, with 50% of all membership fees going directly to **AWARE NI**, our chosen charity for the year.

Not sure how to get started into cold water swimming?

When the water temperature drops, we will be introducing our new Introduction to Cold Water Swimming Package, which includes a tow float, membership and two sessions with a personal lifeguard!

MOONLIGHT Swim

We will host our very first Moonlight Swim on Friday 24th September in association with **AWARE NI**, the leading depression and mental health charity in Northern Ireland.

This will be a free event for all members AND non-members, but we do ask that you offer a small (or big) cash donation to **AWARE NI** on the evening, to help support the work they do.

Our resident caterer Gareth will also be open to purchase tea, coffee and light snacks on the night.

We hope you will join us in raising funds for this vital charity, while at the same time ticking a Moonlight Swim off your bucket list!

“COLD is a STRESSOR, so if you are able to get into the cold and control your body’s response to it, you will be able to control STRESS.”

- Wim Hoff (aka The Ice Man)

Splashing INTO THE FUTURE

We have already set our sights on the **next summer season** with plans to introduce some **brand new and unique activities and experience days**, but we don't want to give too much away just now. We will keep this as a surprise for a little further down the line... **STAY TUNED.**
